

How to Keep Your Medicaid Coverage

Some adults ages 19–64 who do not have an exemption **must complete work or activity hours to keep Medicaid.**

Many Adult Medicaid members must renew their Medicaid coverage every 6 months.

Follow these steps to keep your Medicaid:

1 Check to See If You Need to Complete Work or Activity Hours

Adults ages 19–64 who do not have an exemption must now **complete 80 hours** of work, volunteering, job training, or be enrolled in school at least half-time to keep Medicaid coverage. You will also need to renew your Medicaid every 6 months.

2 Keep Records

Keep copies of **pay stubs, volunteer logs, or job training forms.**

3 Submit Documents

Gather required documents and **submit** them to YES.NM.GOV during your initial application or Medicaid renewal, or notify HCA if you qualify for an exemption.

Learn more about the **new work or activity rules** and see a **list of exemptions** at HCA.NM.GOV/KeepYourBenefitsNM
